SUBJECT: **Terminal Handling of Airfreight Cargo**

Dear Valued Client,

Air New Zealand Cargo Terminal Services have announced an introduction of a “ Cargo Handling Fee “ for both import and export airfreight shipments. This new fee will come into effect from Monday 16 May 2011, and will apply to all shipments arriving or departing from that day on.

The fee has been set at \$ 0.04 per kg with a Minimum of \$ 5.00 per AWB, plus GST. We will be showing this fee on our invoices as a separate line for easy identification.

This fee applies on all shipments moving on airlines handled by Air New Zealand Cargo Terminal services, namely

Air New Zealand, Qantas, Cathay Pacific, Singapore Airlines, Korean Airlines, China Airlines, China Southern, Jetstar, Lan Chile, Air Vanuatu plus any airlines code-sharing with any of the above named airlines

The remaining airlines are handled by Menzies Aviation and we expect them to introduce a Cargo Handling Fee also at some stage in the near future. We will advise of any developments as soon as we hear

Kind Regards
